

**ACTION FOR JUSTICE FORUM**  
Sunday January 12, 2014 1 PM  
Community Church Assembly Hall 40 East 35<sup>th</sup> St.  
Co-sponsored by THE BIG APPLE COFFEE PARTY

## ***IS IT TIME TO AMEND THE U.S. CONSTITUTION?***

The last amendment to the Constitution of the United States was 22 years ago in 1992. Is it time to add another? The supreme court decision in the *Citizens United* case was for some, the straw that broke the camel's back. The notion of corporate personhood and the power it gives corporations to influence the political process and manipulate our democracy must be addressed through an amendment to the constitution. That is the position of the organization MOVE TO AMEND and other groups working on this issue. Join us for an exploration.

The program will include a screening of  
***"LEGALIZE DEMOCRACY"*** (2013, 30 min)  
Produced by MOVE TO AMEND, Directed by Dennis Trainor, Jr.

Followed by a discussion of the issue  
With Special guests
