**“Made in Dagenham”  
(1hour 53 minutes)**

Set against the backdrop of the 1960s, the film *MADE IN DAGENHAM* and based on a true story about a group of spirited women who joined forces, took a stand for what was right, and in doing so, found their own inner strength.

1968: Rita lives in Dagenham and, like many local women, she works at the Ford plant stitching together seat covers. It is intricate work carried out in sweltering conditions. So why, she wonders, are the workers paid the same as unskilled laborers? Is it because the work is unskilled? or is it in fact because they are women? *Made in Dagenham* shows how, the Dagenham women managed to overturn an age old hypocrisy.
