presents:

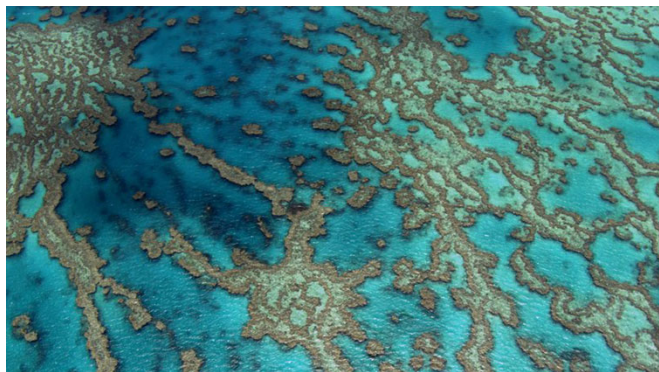

“HOME”

**"the Gallery" at John Haynes Holmes House
of The Community Church of NY
28 East 35th Street, Manhattan**

Thursday, February 10, 2011 at 7 pm
suggested donation \$5

In his visually stunning film **"HOME"** director/photographer Yann Arthus-Bernard takes viewers on a spectacular voyage around the world. Arthus-Bernard's unique approach of using only aerial shots to illustrate the climate change debate gives audiences the opportunity to see for themselves how our Earth is changing. Going well beyond the usual scientific reports, charts and graphs, HOME delves deeper to touch and inspire our hearts and souls.
